

Environmental Management Systems Certificate

Standard

GB/T 24001-2016/ISO 14001:2015

Certificate Registr. No. **17 104 1933213**

(CNCA Certificate No.: F00526E00145R201)

Certificate Holder:

Huawei Technologies Co., Ltd.

Unified Social Credit Code: 914403001922038216

Registration Address: Huawei Headquarters, Bantian,
Longgang District, Shenzhen, 518129 Guangdong, P. R. China

Operation Address: Refer to the "Operation Address List"

including locations and information according to annex

Scope:

Design, Manufacturing, Procurement, Supply Chain Management, Sales, and Services (including Installation Management, Network Engineering Services, Network Field Maintenance, Repair, Customer Support and Training Services) of Semiconductors and Components (including Network and Device Chips and solutions, Consumer Chips, and Optical Components), Fixed Access Products, Radio Access Products, Core Network Products, Transport Network Products (Wavelength Division Multiplexing (WDM) Equipment), Data Communication Products, Synchronization Network Products, Antenna System and Radio Frequency Products, Copper and Optical Distribution Network Products (ODN and Distribution Product), Business Support System Products, Network Management System and Tool Products, Data Service Products, Enterprise Service Products, Industry Sensing Products, Intelligent Collaboration Products, Infrastructure Network and Security Products, Cloud Computing products and O&M management services of Huawei cloud data centers, Data Storage Products, Computing Products (including General-Purpose Servers & Computing Components, and AI Servers & Computing Components), Hybrid Video Products, Digital Entertainment Products, Telecommunication Terminal Products (including Mobile Phone), Computer, Smart Lock and Accessories, Automotive Components and Intelligent Systems (including Advanced Driving Solution, Intelligent Sensor, LiDAR, Radar, Camera, Maps, Navigation, Automatic Driving Data Service, HarmonySpace, Intelligent Vehicle Cloud Services, Intelligent Vehicle Domain Control System, Intelligent Thermal Management System, Vehicle Intranet Unit, Intelligent Head-up Display, Intelligent Automotive Lighting Module, Autonomous Driving Integrated Positioning (ADIP), Mobile Data Center (MDC)), Digital Power Products (including Data Center Facility (including UPS, Intelligent Lithium, PowerPOD, Smart Cooling & Thermal Management Unit, Modular Data Center, Data Center Infrastructure Management), Site Power Facility (including Telecom Power, Hybrid Power, Intelligent Lithium, Intelligent Site), FusionCharge Network (including FusionCharge, Fully Liquid-Cooled Ultra-fast Charging Equipment, Electric Vehicle Supply Equipment), Smart PV (including Inverter, Smart Transformer Station, Energy Storage System, Power Optimizer, SmartACU, Smartlogger, SPPC, EMS accessories), AntoEco, Digital Power Controlling System, Intelligent Electric Mobility (including All-in-One Powertrain, On-board Charger, Battery Management System, Motor Control Unit)), Design, Manufacturing (including Outsourcing Production), Supply Chain Management, and Services of Optical modules, Optoelectronic devices and Optoelectronic Chips.

Note1: ODN and Distribution Product: ODF (Optical Distribution Frame), FDT (Fiber Distribution Terminal), SPL (Splitter), FAT (Fiber Access Terminal), SSC (Splitting and Splicing Closure), Indoor Cable, iODF (Intelligent Optical Distribution Frame), iFDT (Intelligent Fiber Distribution Terminal), iFAT (Intelligent Fiber Access Terminal), Intelligent Patch Cord, iSPL (Intelligent Electric ID).

Note2: Cloud Computing products including: Compute, Storage, Networking, Containers, Content Delivery & Edge Computing, Databases, Security & Compliance, Business Applications, Blockchain, Middleware, Management & Governance, Developer Services, Migration, Media Services, Internet of Things, Dedicated Cloud, Artificial Intelligence, and Analytics.

Note3: Supply Chain Management include Storage, Logistic and Delivery Management.

Proof has been furnished by means of an audit that the requirements of GB/T 24001-2016/ISO 14001:2015 <Environmental management systems - Requirements with guidance for use> are met.

Validity:

The certificate is valid from 2026-06-01 until 2027-05-18.
It remains valid subject to satisfactory surveillance audits.

This certificate information can be searched on Certipedia website <https://www.certipedia.com>

2026-06-04

TUV Rheinland (China) Ltd.
