Item	performance Period	Guarantee	SOH
Battery Pack	10 years		70%

The Product Battery Retention Capacity Test Method: Standard capacity test conducted at 0.5P under 25°C ambient temperature.

DISCLAIMER: PLEASE NOTE THAT THE PERFORMANCE GUARANTEE OUTLINED HEREIN COVERS ONLY THE BATTERY PACKS.

3、 Preconditions for Warranty

1) The Products must have been installed and correctly commissioned by a licensed installer in compliance with local regulations including but not limited to PGS 37-1. Proof may be required of correct commissioning of the Product (such as certificates of compliance). Claims for failures due to incorrect installation or commissioning are not covered under this Warranty.

2) This Warranty does not extend to any Products that have been completely or

partially disassembled or modified, except where such disassembly is carried out by WHES or its designated after-sales department.

3) The terms of this Warranty cannot be amended except in writing by one of our authorized officers.

4) Any warranty claim under this Warranty must meet the requirements set out below in the “How to Make a Warranty Claim” section.

5) The Purchaser shall correctly transport, install, operate, store, and use the Product according to User Manual and Installation Guidance (available on the website: <https://www.whes.com/>).

6) The Products shall be connected to WHES Cloud for real-time data transmission; Otherwise, the necessary operation data must be provided every 3 months, including but not limited to a fault information table listing all fault alarm names and times such as overcurrent and overvoltage related to PCS faults and overvoltage and overtemperature related to BMS cells, fault waveform data such as grid voltage waveform, PCS power waveform, current waveform, voltage waveform and SOC, operation strategy information such as charging, discharging, standby and power in each state, and other equipment operation information such as liquid cooling system, fire protection system, and any other essential data required by analysis for the Products. Such data can be provided to the wholesaler or installer in compliance with applicable data security regulation. The provision of necessary operation data is a prerequisite for the Warranty. If the Warranty cannot be carried out due to the failure of the Purchaser to provide the data, the Purchaser shall bear all relevant costs. WHES shall not be liable for any compensation until the Purchaser provides the necessary operation data within the warranty period.

7) The warranty coverage is limited to the territory specified in the sales contract or purchase order. This warranty does not apply to claims made outside of this specified territory. Additionally, it does not cover claims within the specified territory if they occur during a state of war or chaos.

8) The warranty does not extend to other technical support requests that do not fall under the category of quality issues following relevant technical analysis. Should you require technical assistance, you may acquire pertinent services by making payment.

4. General Exclusions

The Warranty does not apply to any defect or energy capacity shortfall resulting from any of the following, each of which may result in the Warranty being voided:

- 1) abuse, misuse, or negligence;
- 2) as a result of changes that occur in the condition or operational performance of the Product due to climate or other environmental influence, foreign material contamination (e.g. dirt, smoke, salt, chemicals, and other impurities), water entry, exposure to excessive heat or solvents or because of use of the Product with insufficient ventilation (in particular the maximum temperatures according to the operating manual), exposure to strong vibrations, exposure to a strong magnetic field or damage as a result of Force Majeure event outside the reasonable control of WHES;

EXCEPTED FROM THIS IS LIABILITY ON THE GROUNDS OF CULPABLE INJURY TO LIFE, PHYSICAL INJURY, OR INJURY TO HEALTH AND THE MANDATORY LIABILITY FROM INTENT OR GROSS NEGLIGENCE.

WHES'S OBLIGATIONS UNDER THIS WARRANTY ARE EXPRESSLY CONDITIONED UPON SETTLEMENT TOWARDS WHES, ITS AFFILIATES OR DISTRIBUTORS OR ITS AUTHORIZED AGENTS (INCLUDING INTEREST CHARGES, IF ANY) OF ALL DUE PAYMENTS FOR THE PRODUCTS. DURING SUCH TIME, AS LONG AS WHES HAS NOT RECEIVED PAYMENT OF ANY AMOUNT OWED FOR THE PRODUCTS, IN ACCORDANCE WITH THE CONTRACT TERMS UNDER WHICH THE PRODUCT IS SOLD, WHES SHALL HAVE NO OBLIGATION UNDER THIS WARRANTY. ALSO DURING SUCH TIME, THE PERIOD OF THIS WARRANTY SHALL CONTINUE TO RUN AND THE EXPIRATION OF THIS WARRANTY SHALL NOT BE EXTENDED UPON PAYMENT OF ANY OVERDUE OR UNPAID AMOUNTS.

6、 Limitation on Use

The Product is not intended for use as a primary or backup power source for life-support systems, other medical equipment, or any other use where product failure could lead to injury to persons or loss of life, or catastrophic property damage. To the extent permitted by law, WHES disclaims any and all liability arising out of any such use of the Product. Further, WHES reserves the right to refuse to service any Product used for these purposes and disclaims any and all liability arising out of WHES's service or refusal to service the Product in such circumstances.

7、 Warranty services

WHES provides warranty services to the Purchaser, including Remote Support

and Hardware Support in case of the Product faults. Warranty services do not include modifications to the existing photovoltaic system of the Products, building wiring or other related devices. WHES provides the following services at its sole and own discretion:

1) Remote Support

Remote Support means WHES provides solutions for technical enquiry or problem of the Product by telephone or Email.

Remote Support includes problem handling and technical enquiry. The problem handling service provides solutions to problems related to the Product during the warranty period for free.
